PERSONAL PROFILE

Motivated and detail-oriented BCA (Cloud & Cyber Security) student from IIMT University, with a strong foundation in cloud technologies, network security, and ethical hacking. Adept in leveraging practical knowledge gained through hands-on certifications including Certified Ethical Hacker (CEH), Azure Fundamentals, and Linux Administration. Skilled in identifying vulnerabilities, administering cloud environments, and implementing secure computing practices. Eager to contribute technical skills, problem-solving abilities, and a continuous learning mindset.
